## Does Your Sign Do You Credit?

It pays to have a sign at your place of business when people are looking for you—the bigger the better. It also pays to have a sign in the directory, where people are all the time looking for something in your lines. If you do not have it there, you are helping your competitors who do. Nothing in print indicates progressiveness so much as a strong representation in the city directory.

*Because it is Used the Most to Find Just Such Information You Most Wish to Have the Public Know*

First—What line of goods you handle. Second—Where you are located. Pick up a City Directory anywhere, and almost invariably you can tell who the progressive, up-to-date merchants and professional men are. There are many brands of Clothing, shoes, dry goods, groceries, etc., and some prefer one kind, some another. What better place to state your special brands than the **City Directory** ?

## The Importance of a Well Patronized City Directory

A city that supports a good directory will give the same support and prosperity to all of its inhabitants; one who is looking for a location will judge wisely if he selects a city that has a well patronized city directory.

It is an infallable evidence to intelligence, thrift and general success and prosperity

The standard of life in such communities is always high. The people all live well and prosper because the directory draws trade from all the tributary country.

H. A. Manning Company's Directory of Rutland will be sent to the directory libraries of all the principal cities in the United States.

The Best Advertising Medium
is the City Directory

BECAUSE it is used the most to find just such information you most wish to have the public know. First—What line of goods you handle. Second—Where you are located. Pick up a City Directory anywhere, and almost invariably you can tell who the progressive, up-to-date merchants and professional men are. There are many brands of clothing, shoes, dry goods, groceries, etc., and some prefer one kind, some another.

What better place to state your special brands than the City Directory?

## Non-Smutting Typewriter Carbons

DU-RA-BUL BRAND is made in standard and light weights, in black, blue, purple, red and green. A very high gloss, wave coated carbon with blue black. It is particularly noted for brilliant, clean, sharp writing, permanency and indelibility.
SUPREME BRAND is especially recommended for legal and commercial work. Its wonderful durability and permanency of color is without approach by any other carbon paper.
ALUMINUM BRAND is a dull-finished, evenly coated carbon, especially adapted for manifolding, making more copies at one operation than any other carbon manufactured.
EK-O-NOM-IC is noted for its indelible qualities, uniformity and durability.

DU (TRADE RA MARK) BUL Ribbons Excel All Others because of our special inking process. The ink is not merely put on or soaked into the cloth, but is squeezed through and into every bit of the ribbon fibre.

**A typewriter is as good as its ribbon and a Du-Ra-Bul Ribbon is as good as can be made**

# Atlas of the World

## Complete--Handy--Reliable

An Atlas is necessary in every home, library, school, office, bank, and is valuable for the traveler. This is the most complete, comprehensive and thoroughly up-to-date atlas that can be obtained.

It contains 193 pages of maps, showing the 48 States of the Union, the Insular Possessions, the Provinces of Canada, and adequate maps of every other country in the world. It will fit in your book shelves, can be pigeonholed in your desk or carried in your overcoat pocket. If a place is of sufficient importance to have a Post Office you can locate it in this atlas. All Railroad systems are shown and Steamship routes are plainly marked. The maps are beautifully colored and clearly defined, and their scale is as large and the detail more complete than in many of the antiquated and cumbersome volumes with which you are familiar.

# Directory Advertising vs. Other Kinds

**It Is the Only Advertising** that is not "hit or miss" from the fact that it always can be found when wanted

**It Is the Only Advertising** medium that has no competition, and is used by practically the whole community and is not used for kindling purposes within a short time after issued, nor is it read once and thrown away

**It Is the Only Advertising** medium which is on the job 365 days a year, and in many establishments 24 hours a day

**It Is the Only Advertising** medium where you can advertise your brand of goods with absolute certainty that the public can find this information when desired

**It Is the Only Advertising** medium where one would look and expect to find a physicians' office hours, a clothier's make of clothing, a hatter's make of hats, a shoe dealer's make of shoes, and so forth, all through the activities of a city's business life. If you do not have your lines represented, then you do not understand the meaning of Directory Advertising

**It Is the Only Advertising** medium that represents every business house in the City, and to omit your sign therefrom is like omitting the sign from in front of your place of business. This has been proven many times.

**For one cent a day and up** you can have a sign in the Rutland Directory, used by more than 75,000 people, your name and business in prominence and full representation in the Classified Business Directory
